

RELATED EXPERIENCE

VILLAGE OF CARLETON MONROE STREET PAVING

J&A has been retained by the Village of Carleton to redesign an existing residential street to current Monroe County Road Commission residential road standards. The project consisted of 3500 feet of

Location:	Village of Carleton Monroe County, Michigan
Contract Amount:	\$95,000 (Engineering Consulting) \$531,000 (Construction Estimate)
Completion Date:	September 2015
Client:	Village of Carleton
Contact:	Mr. Ron Lambrix, President Village of Carleton Phone: (734) 654-6255

paving, sidewalk, and sewer improvements of Monroe Street from Grafton Road to Maxwell Road. J&A performed a full topographic survey, prepared, plans, specifications, and is currently performing construction administration services.

All sanitary and storm sewer pipes and manholes within the project area were inspected for possible repair.

Sidewalk curb ramps will be replaced with ADA compliant ramps at street intersections, as necessary. Construction is underway and is slated to be completed by September 2015.
